Moving on up!

We are looking forward to September and meeting you at the door, we already know a bit about you but we would love to learn more! Please use this transition menu to help you until then, your grown up will help you too so choose a few and pick up your pen. Your old teachers are very proud of you, but their work is all done, you are ready to move on up and go and have lots of fun!

Draw it	Talk it	Picture it
<p>We really wish we could have met you before September and seen your smiling faces. Instead we'll have to settle for seeing your amazing art skills! Can you create a self-portrait using a mirror. You can use any medium you want e.g. paint, felt tips, pencil crayons etc. Be creative and show us your best you!</p> 	<p>Can you get in touch with another pupil in your class? Perhaps try and speak to someone that you haven't spoken to during lockdown so far! Can you discuss the things that you are looking forward to about Year 3 and worries that you may have! Remember, a problem shared is a problem halved!</p> 	<p>We would love to know about your favourite things so we can learn all about you. Please take some selfies of yourself doing your favourite things so we can learn a little more about you.</p> 
Practise it	Make it	Dream it
<p>Can you practise tying your shoelaces all by yourself! If you can already tie your laces can you tie your laces in less than 30 seconds?</p> 	<p>We love making things in Year 3 so we'd like you to make a "Bag of Me". It's a bag which contains clues for all of the things that you like doing! For example, your favourite story, hobby, colour, food, lesson, song, football team, artist etc.</p> 	<p>We would love to learn about your aspirations for the year and your lives. Tell us why you are going to be an amazing Year 3 and what you want to do by the end of this year.</p>
