Follow the link to access the Talk for Writing text 'Bob the Bubble Who Wanted to be Useful.'

<https://www.talk4writing.com/wp-content/uploads/2020/06/Y1-Bob-F.pdf>

Look at the characters on page 28. Can you tell a story about how Bob could help the characters? What problems could they have? How could Bob help?

Explain your ideas to a grown up.

Can you write one sentence for each of the characters on page 29?

For example:

Bob helped the bee by...

Look at the characters on page 28. Can you tell a story about how Bob could help one or more of the characters? What problems could they have? How could Bob help?

Write a few sentences to describe how Bob helped the character of your choice.

Remember to use exciting adjectives. Can you use a question mark in your writing?

Look at the characters on page 28. Can you tell a story about how Bob could help the characters? What problems could they have? How could Bob help?

Write a few sentences to describe how Bob helped each of the characters.

Remember to use lots of exciting adjectives and sentence starters. You could also make your writing more interesting by adding question marks and exclamation marks.

Maths

Watch White Rose- Summer Term Week 11
Lesson 4

<https://whiterosemaths.com/homelearning/year-1/>

Can you use objects from around your home (lego, figures, coins, buttons etc) to make amounts up to 20?

Can you split your amounts into quarters?

How many are in each quarter? How can you check that you have correctly made quarters?

Are there any numbers that you cannot make two equal quarters with?

Can you use objects from around your home (lego, figures, coins, buttons etc) to make amounts beyond 20?

Can you separate the amount into quarters?

How many are in each quarter? How can you check that you have correctly found one quarter?

Are there any numbers that you cannot make four equal quarters with?

Can you draw quantities beyond 20?

Can you find one quarter of the different amounts that you make?

How many are in each quarter?

How can you check that you have correctly found one quarter? Can you find two quarters? What do you notice? Can you find three quarters?

What do you notice about the numbers that can and cannot be divided equally into quarters?

Phonics/Reading

We would like you to use Oxford Owl to access free reading books.

You could also read some of your own story books that you have at home.

Spellings have been set for the week on Spelling Shed and will be updated again on Monday.

All children have a choice of Bronze, Silver or Gold Education City Phonics Games set for them on Education City.
