Calendar page

Welcome back Knypersley !!

Thank you for your patience embedding the new procedures this week, as usual there has been teething problems but today has run really smoothly. It has been fantastic to see such lovely smiles all week, even our youngest children have settled really quickly and are picking up our routines. The children have enjoyed playing together in their key stages at playtimes and lunchtimes. It has been lovely to see them chatting away with one another in the dinner hall too. Y4 have had an assembly today and we have wonderful plans for assemblies next week which include Y4 being film stars!

Reading books Y1-4

Your child should have brought home their home-school links book and reading book in a folder today. The home-school links books contain lots of information that will support you and your child when they are reading and working at home. Please spend some time looking through it. We would like the folder to come to school every day with your child and there is space in the book for your reading comments. It is proven that regular reading and phonic practise is the key to success at school and we know that you will support us with this.

Information evenings

Please look out for a letter next week in regards to our information evenings which will be held during week beginning 13th September.

COVID 19

Our current risk assessment and outbreak management plan are on our website under the COVID 19 tab. There are 3 sections within these documents and we will move between the sections dependent upon the amount of cases in school alongside advice from the Local Authority Outbreak Team, and we will communicate these changes via text and email.

Data Collection

All children in Year 1 to Year 4 will be coming home shortly with new data collection forms for this school year. Once they are sent home please return them asap. This is to ensure all of your details that we have in school are correct and up to date.

Nursery Funding Forms

All Nursery parents will receive a text next week regarding signing their child's Parent Declaration for Early Education Funding forms.

All forms need signing for your child to complete their hours with us.

Your views as parents are important to us. We welcome any suggestions or ideas on how we can develop & improve as a school by emailing admin@knypersley.staffs.sch.uk

School Meals

As children move from Y2 into Y3 they are no longer eligible for Universal Free School Meals.

Your child will still receive free school meals if you are entitled to and are registered for benefit-related free school meals.

If you think you may be eligible for benefit-related free school meals, please contact the school office or visit the website.

COVID

- If your child develops symptoms please keep them at home and arrange a PCR test. Any siblings as well can continue to come to school although track & trace will contact you to advise all members of the household take a PCR test.
- If your child develops symptoms in school you will be contacted to collect them asap and take them for a PCR test, siblings can stay in school if well but again track & trace will contact you to advise all household members take a PCR test.
- Wearing masks on the school site and when visiting the office will help to limit the risk of Covid cases.

Many thanks for your support.

We start week 2 of the school dinner menu next week.

Please check our website and twitter for more news, dates and updates through the week at [@knypersleyFirst](https://twitter.com/knypersleyFirst) or www.knypersley.staffs.sch.uk
