Can you colour or paint the winter scene? Don't forget to try
and stay in the lines!

Can you practise your cutting skills. Cut out the items of clothing and dress the boy.

Can you draw a picture of you and your family?
Don't forget to add detail now to your drawing. Can
you practise your squiggle patterns too?

We will be learning the above sounds over the next few weeks.
Can you practise recognizing the sounds? Can you match them to
the pictures using the first sounds? S is for snake etc.

Go on a hunt around your house? What other items can you find
that begin with these sounds?

Can you talk about the shapes used in this picture? What is the shape? How do you know it is that shape? Are they the same? How many sides does the shape have? Are they curved or straight?

Can you now create your own house using the shapes?

Can you practise the squiggle patterns and then copy them on-
to paper independently? Can you practise writing the patterns

Rhythm and Rhyme

Home Learning Challenges

Can you teach someone
at home one of the rhymes
we have been singing?
See if you can remember
all the words!

Listen carefully to
this list of words. Can
you find the one that
doesn't rhyme with
the others? Remember
to listen carefully
to the sound at the
end of each word:
tree, bee, pin, three.

Play a matching game with the cards
provided. Can you match two picture
cards together that rhyme - for example
'fox' and 'box'.

What rhymes or
poems do you say at
home? Find a copy of
your favourite rhyme
or poem to share with
the rest of the group.

Rhyming Words

Draw a line to join the rhyming words together. You could also cut out the pictures, turn them face down and play a game to find rhyming pairs.

car

cat

frog

mouse

fox

house

box

bat

star

dog
