

Set Menu: spellings, daily reading, phonics practice

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence as they become fluent readers. Once children are able to read fluently, and with expression, hold discussions around their comprehension of the texts, (we will provide a bank of ideas to support this). If your child is reluctant to read, they could listen to audio books. We want them to foster a love of books, so please don't underestimate the value of reading to your child. We are all very grateful for your support.

Added Extras:

We will encourage your child to complete as many of the activities from the menu as they like at home, but NO LESS than 3 over the half term, This can be recorded (if appropriate) in our homework books. We will ask for homework books in during the last week of each half term in order for us to share and celebrate this learning.

Research It	Play it	Perform it
Can you research a country in Africa? What special features does it have? What are the names of some of the landmarks? Which language is spoken there? What is the climate like? Which animals can be found there? What interesting facts can you find out?	Can you play these times tables games to practise your times tables? Hit the Button - Quick fire maths practise for 6-11 year olds (topmarks.co.uk) Times tables games - Timestables.co.uk	Find your favourite poem and perform it! Can you add in actions and change your voice?
Present it	Write it	Nurture it
Can you create a poster or information booklet about an African animal? What facts can you find out? What does the animal eat? Where is the animal's habitat? What special features does it have?	Can you write a recount about a place that you have visited? What did you do there? What was your favourite part? Would you visit this place again? Remember to add in lots of detail.	Nurture a plant! Can you plant some seeds and look after them? How long does it take them to grow? Can you take some photographs, or draw pictures of what happens over time?

Visit it

Can you pay a visit to a local country park to spot the signs of Spring? What did you find?
