

Knypersley First School
Homework menu

Year Group: 4

Term: Summer 1 2022

Set Menu: Timetables, spellings, daily reading, phonics practice

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence, as they become fluent readers. Once children are able to read fluently, and with expression, hold discussions around their comprehension of the texts, (we will provide a bank of ideas to support this). If your child is reluctant to read, they could listen to audio books. We want them to foster a love of books, so please don't underestimate the value of reading to your child. We are all very grateful for your support.

Added Extras:

We will encourage your child to complete as many of the activities from the menu as they like at home, but NO LESS than 3 over the half term, This can be recorded (if appropriate) in our homework books. We will ask for homework books in during the last week of each half term in order for us to share and celebrate this learning.

| Research it | Play it | Perform it |
|--|--|--|
| <p>Can you research a rainforest animal?</p> <p>In which rainforests can it be found?</p> <p>What does it eat?</p> <p>What does it look like?</p> <p>In which layer of the rainforest can it be found?</p> <p>What type of animal is it? e.g. mammal, bird etc</p> | <p>Can you play lots of games to help your times table knowledge?</p> <p>Try the following websites that below.</p> <p>TT Rockstars www.ttrockstars.com</p> <p>Hit the Button www.topmarks.co.uk/mathsgames/hit-the-button</p> <p>Maths Frame TT Checker www.mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check</p> <p>Can you beat your own score each time you play a game?</p> <p>Can you beat one of your family?</p> | <p>Can you please learn and practise the British National Anthem in preparation for the Jubilee.</p> <p>Additionally, can you have a look at the times table songs on BBC SUPERMOVERS. The songs really help you learn the different multiples within each times table AS WELL AS giving you a super workout at the same time. https://www.bbc.co.uk/teach/supermoovers/ks2-maths-collection/z7fpg8</p> <p>Focus on times tables you are either unsure of or do not know.</p> |
| Write and Present it | Visit it | Nurture it |
| <p>After researching the different facts about your rainforest animal, we now want you to present this information in an engaging way to teach other people all about it. This could be a PowerPoint, a poster, a short video documentary/presentation, flash cards, illustrations with key information. It is entirely up to you!</p> | <p>To understand the scale of rainforest we would like you to go to a forested area. Rainforest trees can be 60 metres tall, and some even taller than that.</p> <p>How tall is the biggest tree you can find? Estimate it and draw a diagram to compare this to a rainforest tree.</p> | <p>This term's focus is on the rainforest and environmentalism, so we would like you to continue growing your plant from your last homework.</p> <p>Can you nurture and look after it in order for it to grow? Remember plants look after us by giving us oxygen; we need to look after them too.</p> <p>Don't forget to join in with our Big Battery Hunt to save the planet too.</p> |
