

6th May 2022

Dear Parents/Guardians,

Congratulations on your successful application to join Knypersley First School in September, we are thrilled to have you as part of our family and would like to take this opportunity to thank you for choosing our school. I am sure that you will be eager to ask many questions that will support your child to settle in and to aid their preparation ahead of September. We would therefore like to use this time before May half term to invite you to come into school and take part in our **'Welcome to the Family'** information evening!

The event will take place on **Wednesday 25th May at 4pm** in our school hall. During the evening you will have chance to meet all of the Early Years staff both Nursery and Reception. There will be a brief presentation where staff will take the opportunity to introduce themselves and hopefully answer a number of questions that I am sure that you have in regards to uniform, timings of the day and advice on how to get your children 'school ready'. Following on from the presentation we will then be opening our Early Years buildings for you to take a tour and familiarise yourselves with classrooms and staff within each year group.

We are still in the process of splitting classes for both Reception and Nursery once this is complete you will receive a letter in the post with your child's class name and teacher. If your child is new to Knypersley First School and is coming from a different setting with a number of other children and would like to request they be with a familiar face please contact Miss Leese on 01782 973810 and we will try to accommodate movement as best as we can.

Please feel free to bring along children to the event, there will be opportunities for them to play and explore briefly within their new classrooms. If you would rather come alone for the evening please do not worry, there will be a number of opportunities for your child to take part within 'Stay and Play' sessions within June and July.

Thank you again for your support and welcome to our Knypersley First School Family. We look forward to meeting you and your child in the near future.

Yours sincerely,

Miss Leese
Early Years Leader
