School Closes for Summer

We will be on Week 3 of our new dinner menu next week.

Dear Parents and Carers,

This week we have continued to explore our CFLP Trust values focusing on collaboration. The children of Knypersley

First School truly understand the value of working together in collaboration and as a team. They have shared many examples where they have benefitted in their learning by working in partnership with their peers.

A recent example of working together took place when our School Council met to discuss 2022/2023 lunchtime and after school clubs. As a result all staff have signed up to a 2022/2023 plan using the suggestions from our children. I cannot wait to see the playdough and cycling clubs in action!

Another example of Knypersley First School working in collaboration has been the time teachers and support staff have spent observing colleagues and children, handing over important information and generally 'getting to know' their new class. This week's 'Moving Up Day' was a huge success due to the extensive preparation and ongoing work led by the teachers. The feel throughout the day gave the children a real sense of excitement for the year ahead.

Finally, next week you will be joining our Sports Week events. This year will be different and we hope you enjoy greater participation in your child's races.

Wishing you a lovely weekend.

Mrs Z.L. Cooper Headteacher

Important Office Messages

Polite reminder that you are regularly checking parentpay and any outstanding balances for Kidz Zone, School Meals and Trips are brought up to date on a regular basis. We are fast approaching the end of the school year and it would help tremendously if you could support us with this.

We have also noticed that on occasions when trying to contact parents that numbers are either incorrect or have been changed. Can we kindly ask that you keep us regularly informed of any changes in address, email or contact number so that if needed we can get in contact with you as soon as possible.

One final reminder if you have a child/children joining either our Nursery or Reception in September could we ask that any new starter forms are returned to the school office by Friday 24th June to ensure that all data is collected in time for September.

Your help and support is appreciated at this busy time.
