Dear Parents and Carers,

I am sure like us you really cannot quite believe that another academic year is nearly over. As I look at our children they really do look 'ready' for their next class. At Knypersley we recognise how daunting a new beginning, transitioning to a new class and year group can be for both child and their family. It can also be an exciting opportunity.

Over the coming weeks your child's new class teacher will be visiting their current class during lessons. This will provide the teacher with a good understanding of how your child learns, the pace of their work and current expectations. If your child has a specific special educational need additional handover discussions and observations will take place. Teachers have also planned to share relevant documentation inclusive of current targets.

We would also like to invite you to our 'Welcome To' meetings WC 20th June:

WC 20th June	6pm
Year 1	Wednesday 22 nd June 6pm
Year 2	Monday 20 th June 6pm
Year 3	Tuesday 21 st June 6pm
Year 4	Thursday 23 rd June 6pm

This week we will be launching our transition activities through our 'Moving Up Day' on Thursday 16th June.

On page 2 of this letter you will see a table of where your child will be moving to in September along with their new class teachers names so that you as a family can familiarise yourselves.
