

Monday 10<sup>th</sup> October

Dear Parent/Carer,

After October half term we will begin our free swimming sessions. The swimming sessions will run on a 3 week rota. Morning Learning Ladybirds class will swim on a Wednesday morning at 9am. Afternoon Adventurous Ants class will swim on a Monday afternoon at 12.45pm.

The children have been split into 3 separate groups to allow quality swimming teaching and support within the water. Your child will be allocated in group 1, 2 or 3. The swimming group timetable with your child's group will be on our Nursery parent notice board and on the Nursery webpage. A text will be sent with your child's allocated swimming group number. This will be their group for the whole school year.

Please ensure that you check the timetable half termly to see your child's group allocated dates.

Your child will need to bring the following to their lessons:

- Girls: Full Body Swimming Costume (No Bikinis)
- Boys: Trunks (No Shorts)
- 2 Towels
- A Swimming Cap
- A Swimming Bag

Please ensure that EVERYTHING your child brings to swimming is clearly NAMED. We also recommend that you pack your child's swimming bag with them to ensure they know what their towel, swimming costume etc looks like. Packing alongside your child will help to prevent any lost items from their swimming kit.

Many Thanks

Mrs Jervis
