

Set Menu: spellings, daily reading, phonics practice

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence as they become fluent readers. Once children are able to read fluently, and with expression, hold discussions around their comprehension of the texts, (we will provide a bank of ideas to support this). If your child is reluctant to read, they could listen to audio books. We want them to foster a love of books, so please don't underestimate the value of reading to your child. We are all very grateful for your support.

Added Extras:

We will encourage your child to complete as many of the activities from the menu as they like at home, but NO LESS than 3 over the half term, This can be recorded (if appropriate) in our homework books. We will ask for homework books in during the last week of each half term in order for us to share and celebrate this learning.

Research It

Can you research other artists who create artwork of architecture just like Ian Murphy who we have learnt about in school.
Can you recreate a piece of artwork in their style using their technique?

Pracitse it

In school we have been reinforcing the importance of knowing number bonds off by heart, Login to Education City to complete the set number bonds activities for extra practise.

Perform it

Can you learn the lyrics to the 2 times tables super movers songs? Have fun, learning the dance moves all whilst learning and remembering your 2 times tables!
<https://www.bbc.co.uk/teach/supermovers/ks1-maths-the-2-times-table-with-bridget-the-lioness/zrrx92p>

Present it

Can you find out about your family's history? Who were your Great Grandparents?
Can you create a family tree to show who your ancestors are?

Write it

Can you write a familiar traditional tale? We have written Little Red Riding Hood in school so challenge yourself to retell another story. Can you include adjectives, conjunctions and ensure you remember all of our non negotiables!

Nurture it

Can you help the wild life in your local area? Animals such as birds find it harder to find food throughout the winter. Can you make a bird feeder, put food out for a hedgehog/squirrel or top water baths up so that the wildlife has access to fresh, clean

Visit it

Visit Biddulph Grange Gardens or The Grange Country Park? Can you make a journey stick to create a memento of your nature walk.

Year 2
