

Kit List for Visits to Entrust Outdoor Education Centres.

The check list below has been compiled to help you prepare for your visit. It is not necessary to go out and buy lots of new and expensive things for the visit as you are likely to get wet and mucky at times. Old but comfortable clothes are ideal. Please avoid jeans for activity wear as once they are wet they become very uncomfortable and you will get cold easily. Entrust Outdoors will provide all specialist and safety equipment required for the activities. Please label all of your clothes. Please pack your child's bag with them so they are aware what they have with them. Tick off the checklist and bring it along to the centre with you.
