

Early Years Progression of Geography Knowledge and Skills

This section of the document has been carefully planned in order to support transition into the National Curriculum to ensure transferable knowledge that can be built upon on entry to Year 1.

Links to the Early Learning Goals and supporting statements have been made only where strong enough and to support teachers to deliver learning with the correct subject context.

Knypersley First School Geography Progression of knowledge and skills

Foundation Stage – Geography Subject Content Globally Significant Places <i>(Locational and Place Knowledge)</i>
