

Dear Parents and carers,

Welcome back! Thank you for your superb effort in showcasing a WORD at this years World Book Day. You really have raised the bar for us all! More importantly, reading and a love of reading really are at the forefront for our children.

In this weeks newsletter Miss Mountford provides an insight into the teaching of Art through the school. Please do read through and share with your child. Mrs Jones our science lead also shares some ideas for our up and coming science week. Each subject leader will be highlighting their subject. This is a great way of seeing how we deliver our curriculum and learning about the additional responsibilities our class teachers hold as subject leaders.

Finally, thank you for booking your appointment for parents evening via ARBOR. If you are experiencing any problems please contact Mrs Taylor in our main office. Whilst she is not an expert, she will gladly guide you. Please be patient with her. It is disappointing to hear some people have been impatient and rude. We will always make every effort to assist you.

Have a lovely weekend.

Mrs Cooper and Team Knypersley.

# **Award Winners**

Class	Author	Achiever	Rockstar	Attendance	In Focus
	author Station	DREAMS	KNYPERSLEY	Overall	95%

9	Harry	Owen	Layla		

Out of school awards for swimming, brownies, football etc celebrated today Rosalyn—25metre swimming badge, Emilie-stage 3 swimming, Freyja-alpine skiing, Archie-parents player of the season award and season end trophy for football, Olivia-adult grade 2 figure skating, Amelia-brownie sash the AED challenge, Jaxon 2players of the match awards football, Freddie-football medal.

### **ParentPay**

Please ensure all debts on your ParentPay account are cleared at the end of every week.

A reminder that any debts over £20 could result in loss of use of the school facilities.

It is important to set up your ParentPay account as useful whole-school information is sent out this way.

### SCHOOL MEALS

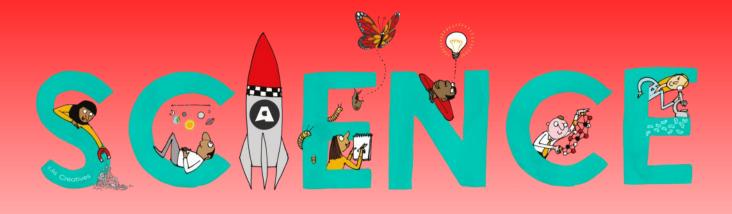

We have been informed by Chartwells that, due to increasing staffing and food costs, they will be increasing the cost of a school meals to £2.83 from Easter 2023. This is non negotiable. The Children First Learning Partnership is acutely aware of the current financial pressures already on our families and therefore it has been decided that to support this, the Trust itself will cover some of this price increase whilst a better deal is found via another provider.

### Arbor

Currently 88% of parents have logged onto Arbor.

Please ensure you log on to Arbor as this is where you can book onto clubs, see finishing times and pick up points and change contact details such as telephone numbers or address.

Parent consultations are also bookable on Arbor so it is important to log on ASAP.

My name is Mrs Jones and I am the Science leader in school. I am very excited to tell you that the <u>week beginning 13th March i</u>t is

National Science week!

The theme of the week is all about making

'Connections' and we will be thinking about healthy

eating and the journey fruits and vegetables take to get from the field to our forks. We will be taking part in lots of exciting activities including planting, tasting, investigating and much, much more! Keep a look out on Twitter for updates of what we have been getting up to!

We would love for you to get involved at home and for you to do some planting of your own! Could you create a healthy meal with what you have grown? Could you create a whole meal using only things you have grown?!Please keep us updated with what you have been getting up to by e-mailing your photos to your child's class homework email address. We

#### Early Years

Our fantastic Early Years provision provides our children with the fundamental and essential skills that enable their artist skills to flourish as they grow older. Children in early years learn to hold a pencil/paintbrush correctly, manipulate and use tools such as cutting and sticking and recognise colours. They explore creating different pieces of artwork and enjoy getting creative!

### <u>KSI-KS2</u>

From Year I to 4 your children will be exposed to a range of different techniques and skills. These are taught in a cycle which ensures that learning is progressive and builds upon your child's previous artistic experiences. Drawing and painting units of work are taught in all year groups with extra printing and textiles units in Year I & 3 and collage and sculpture units in Year 2 & 4. I'd like to introduce myself as Miss Mountford, Art Leader here at Knypersley. I'd love to share with you our creative curriculum and give a snapshot of the artistic processes and skills that your children develop during their time at our school.

> Each new unit of work introduces the children to an artist study. Here they learn about particular processes, techniques and skills. Children take inspiration from the artist's work to inspire and inform their own creations.

Every child has a sketchbook that follows them through the school. The children experiment, try new things and take risks. We encourage the children to annotate their explorations so that previous lessons work can be used to inform a final piece.

Bookings are being taken from this Wednesday for parents. Easter holidays 3rd-6th, 11th-14th April.

Red Nose Day is Fri 17th March all children please wear red clothes and come with crazy hair !!

#### **IMPORTANT DATE**

Class group photographs will be Thursday 9th March. Please ensure your child comes into school in full, clean uniform

# WWW.APPLYFORJUNIORBAKEOFF.CO.UK

# APPLICATIONS CLOSE SUNDAY 12th MARCH 2023

Enquiries: applyforjuniorbakeoff@loveproductions.co.uk

# **IMPORTANT NEWS**

# <u>Monday 13<sup>th</sup> March 2023- Year 2 Sats Information evening for</u> <u>Parents at 5.30pm in the main hall.</u>

This will be a very important opportunity to find out about the assessment arrangements and expectations for the end of Year 2. Ideas will be given for how you can support your child at home.
