## SEND SUPPORT ACROSS THE CFLP

All SEND leaders across the CFLP meet regularly to discuss new ideas, share successes and to drive the continued improvement within our schools. Sharing in expertise across the CFLP is an invaluable resource that we as leaders value greatly. We celebrate being members of the CFLP and we welcome you to ask more about our partnerships.

Hello, I am Miss Leese. I am the school SENDCO.

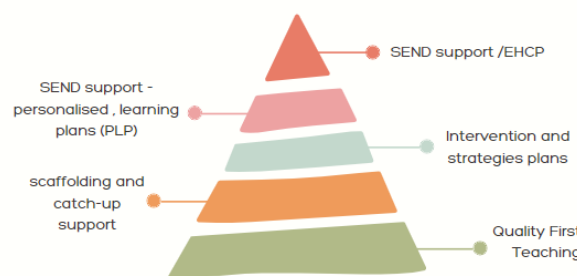

My role at Knypersley First School is to ensure that every child feels included, championed and most importantly - happy. I ensure the best quality support through personalised provision and intervention as well as the organisation of specific support through outside agencies.

If you would like to know more about my role and the SEND process here at Knypersley, please feel free to contact me on the contact details provided - I am available every Wednesday from 3:30pm.

## SEND IDENTIFICATION PROCESS

We follow a Graduated Response in ensuring all of our pupils receive the provision offer that meets their individual learning requirements.

### Graduated Response

If we identify that a pupil in our school requires more than Quality First Teaching, then with parental support, we will then begin short cycles of assess, plan do and reviews (personalised learning plans - PLP's). You will be invited to support during every step of a PLP cycle to ensure your child gets the best possible level of support both in school and at home.

EVERY CHILD DESERVES A champion: AN ADULT WHO WILL NEVER GIVE UP ON THEM, WHO UNDERSTANDS THE POWER OF CONNECTION AND INSISTS THEY BECOME the best THEY CAN POSSIBLY BE.

- Rita Pierson -
