

# French Lesson Pathway

## Composites and Components in French lessons

A **composite** in French is a phrase or a series of words, spoken or written in order to communicate.

Each lesson is a **component** that will build up to the composite.

## 5. Review and Reflect

What have we learnt today?

How does our learning link with prior knowledge? AFL for assessment and next steps in learning.

## 1. Warm up!

Recap prior knowledge.

## 4. Practise and Apply

Practise and consolidate new vocabulary through spoken and written tasks with appropriate scaffolding (including working walls) Embed, call and respond, converse with others.

## 2. Explore

AFL/Sharing LO/Steps to success.  
Share context and prior experience.

Why is this important?  
What will success look like and how will we achieve it?

## 3. Teach and Model

Listen to and repeat new vocabulary and phrases.  
Call and response with teacher, peers and specific resources.
