Our new story in English is "Stanley's Stick". Stanley never sees a stick as 'just' a stick! It could be a..

- fishing rod
- a rocket
- an instrument.

Can you go on a winter walk to find a stick.
What can you turn your stick into?

Snowball Number Bonds.

Make 10 snowballs.
Throw them at a target e.g a tree.
Count how many hit or missed the target.
Write it as a number sentence

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

Can you draw a wintery picture?

What are the signs of Winter?

Think about our Science lesson yesterday. Can you label your drawing?
